

## HOW CAN I CONTRIBUTE?

Contributions become part of the corpus of the Endowment Fund and are available forever to provide future earnings in support of the Viking Charities philanthropic mission. There are about as many ways to contribute as you can imagine. We recommend that you seek the advice of your tax professional in choosing which avenue would be most beneficial for you.

If you are ready to make a contribution at this time, you can utilize the form on the next page to declare your intention and a member of the Endowment Committee will work with you to provide appropriate documentation for your files.
