### SPECIAL NEEDS CHILDREN'S CHRISTMAS PARTY FUNDRAISER

Arguably the biggest job every year, and certainly the most emotionally powerful event the Vikings host each year is the children's Christmas party. The event, hosted on the first Monday in December at the Buellton Marriot, provides a Christmas party for special needs children, their caregivers, and their families. This celebration provides lunch, a musical group singing Christmas songs, costumed Christmas characters, a special visit with Santa Claus, and a Christmas gift which has been specifically selected based on the medical needs of each individual special needs child. All Vikings are part of hosting the party. We serve as busboys, waiters, photographers, Santa's helpers, etc., all done with making the experience for our guests, as good as it gets. By acclimation, each year, the Vikings declare this event is the most heartwarming part of being a Viking.
